October 15, 2012

Dear Blue-Gold Supporter,

The goal of the Smyrna High School Blue-Gold Club is to activate youth in the school to develop school communities where all young people are agents of change, fostering respect, dignity and advocacy for people with intellectual disabilities by utilizing the programs and initiatives of Special Olympics, Project Unify, Spread the Word to End the Word and DFRC. At the heart of the Blue-Gold Club is the belief that young people are not just the leaders of the future; they can be leaders today in their schools, their communities, and around the world. Two of the main responsibilities of the Blue-Gold Club are to raise awareness and fundraise for the Delaware Foundation Reaching Citizens with Intellectual disABILITIES (DRFC) Organization.
