**Subject:** 4" Hose Request

Hello,

One of our members of Ocean City VFC, also belongs to War VFC in West Virginia and is looking for about 800 - 1,000 feet of 4" storz hose as a donation or a reduce price.

They have damaged some of their 4" hose over the past few years and need to replace for the protection on their community and fire fighter safety.

They have split their 4" between their pumpers, but need to start replacing the damaged hose to provide the required footage to service their community.

If you have any information please contact JD Lawsom at [bpdsniper@yahoo.com](mailto:bpdsniper@yahoo.com).

Thanks,

Roger
